

Labour Regulations Committee Vice Chair – Statement of Intent

Name of the Candidate: Ana Popović
Company of the Candidate: VMT Attorneys

I have witnessed firsthand the impact that informed, strategic advocacy can have. I would focus on these priorities:

- **Legislative Reform:** Labor Law has not undergone comprehensive revision in over a decade. It is time to initiate a process that reflects the realities of today's labor market. I will advocate for AmCham's active role in shaping these reforms, ensuring that our members' perspectives are heard and respected.
- **Key Legal Initiatives:** The Law on Labor Practice remains pending, the Law on Employment Records urgently needs modernization.
- **Member Dialogue:** I envision regular forums where member companies can share the challenges they face in applying labor regulations. I intend Labor Law Committee to continue to be recognized as a proactive, solution-oriented partner in labor policy landscape.
