

Energy Committee

Vice Chair – Statement of Intent

Name of the Candidate: Danilo Drndarski

Company of the Candidate: SBEH

It is with great responsibility that I submit my candidacy for the Vice Chair of the AmCham Energy Working Group. For more than a decade, I have been committed to advancing Serbia's green transition by building partnerships, mobilizing capital, and developing renewable energy projects that align with international standards.

My motivation goes beyond numbers. Energy is not just a business — it is a responsibility to our economy, communities, and future generations. As Vice Chair, I will support the Chair in driving transparent regulation, promoting innovation, and connecting members with global best practices and financing opportunities.

I believe leadership means service. By uniting companies, policymakers, and partners, we can ensure AmCham remains the strongest advocate for Serbia's sustainable, secure, and competitive energy future.
