

Environmental Committee Vice Chair – Statement of Intent

Name of the Candidate: Gordana Pejović
Company of the Candidate: MediGroup

As an experienced quality management and sustainability professional, I am committed to supporting the Environmental Committee's agenda to advance Serbia's waste management reform and strengthen the Environmental pillar of members' ESG compliance. I will help develop concrete recommendations on all objectives defined in the Environmental Committee's "Reforms for Economic Growth and Business Resilience 2025".

I will work closely with the Chair to maintain continuous dialogue with the Ministry of Environmental Protection, coordinate member input, and ensure our proposals stay aligned with the EU acquis while remaining practical for Serbian market conditions — contributing to a more predictable, sustainable regulatory environment for business.
