

## **Labour Regulations Committee Vice Chair – Statement of Intent**

***Name of the Candidate:*** Jovana Tomić

***Company of the Candidate:*** CT Legal

As the AmCham Vice Chair of the Labour Committee over the past two years, I have been actively involved in initiating and implementing numerous activities aimed at keeping our members informed about critical developments in labour legislation, such as the Law on Foreigners, Occupational Health and Safety, and the upcoming Labour Law amendments. As a long-standing member of the Association, with multiple mandates within the Committee, I fully understand the needs of our members. If re-elected, I will continue to justify your trust by actively engaging in the forthcoming draft of the new Labour Law. My goal is to use my knowledge and experience to participate in working groups, always in consultation with our members, to contribute to a legal framework that supports investment, ensures compliance, and strengthens employee protection.
