

Trade Facilitation Committee Vice Chair – Statement of Intent

Name of the Candidate: Milan Sekulić
Company of the Candidate: Unicredit Bank

I am writing to express my interest in the Vice Chair position for the TF Committee. With 20+ years of experience leading trade finance and digital transformation, I am ready to drive our common agenda forward.

My primary goal is to ensure implementation of Agenda 2025. By advocating for a phased roll-out of a unified digital platform connecting all trade stakeholders. Concurrently, with ministerial support, I will champion an educational platform to help participants navigate non-tariff barriers, (standards), by better utilizing existing trade agreements.

Looking ahead, I propose two new strategic initiatives:

- Opening a dialogue on the obstacles presented by the Foreign Exchange Law.
- Activating the unused AOFI structure to cover non-commercial export risks, enabling better access to finance for our exporters.
