

Corporate and Business Law Committee Vice Chair – Statement of Intent

Name of the Candidate: Tatjana Aslan
Company of the Candidate: PepsiCo Serbia

I am writing to express my interest in the position of Vice-Chair of the AmCham Business and Corporate Law Committee. With more than 20 years of legal experience in the FMCG industry and broad regional responsibilities at PepsiCo, I would bring practical expertise in corporate governance, regulatory compliance and commercial law.

I believe that the Committee plays a critical role in identifying legal and policy developments that affect businesses and in fostering constructive dialogue with relevant institutions and stakeholders.

My priorities would include supporting digital transformation and the use of electronic documents, addressing the implementation of the new Law on Trading Practices for Certain Types of Goods, and helping businesses respond to evolving geopolitical, technological and regulatory challenges.

I would be honored to contribute my experience and commitment to the Committee's work.
